

The Dover Stormwater Utility Drainage Commission is developing a plan on how to manage stormwater within the Town of Dover, and **your help is needed**.

Please join us on **December 17, 2019 (Tuesday) at 7 pm** in the Dover Town Hall for coffee and Kringle as we share our plan and explain the support we need from you. No stormwater expertise from you is necessary, but any insights you have would be most welcome.

Please direct questions to Karen Dubiel (DSUDC President) at (262)878-5313 or [Doverstormwater1@gmail.com](mailto:Doverstormwater1@gmail.com)

We are not affiliated with the Racine County Drainage Commission; we are part of the Town of Dover.
