

ORDER REGARDING EMERGENCY TEMPORARY MEASURES

The Town of Dover is issuing the orders described below to provide procedures and directions for proceedings and essential functions in the court during the next several weeks. The guidelines are emergency and temporary measures and ONLY effective from March 16, 2020 until April 30, 2020, or upon further order of the Court.

The Town of Dover Hall is open for absentee voting only and any change in status will be noticed on the town website at <https://townofdoverwi.com/>.

The World Health Organization declared a global pandemic of COVID-19 due to widespread human infection worldwide. We are committed to open access to our courts and service to the public, and to protect the health and safety of the litigants, judges, court staff and security, attorneys, other participants in court proceedings, and all other persons in the court facilities.

These orders are in place to ensure the continuous performance of the Court's essential functions and operations and yet seek to mitigate the risk that our employees, lawyers, litigants, judges, and others will be exposed. These guidelines incorporate use of videoconferencing and teleconferencing to minimize contact; follow social distancing practices; and temporarily suspend some non-essential court functions.
