

Town of Dover
Resolution 2024-7

RESOLUTION for Adoption of Motor Vehicle Crash Response Rate Schedule

WHEREAS, it is necessary for the Town of Dover (Town), Racine County, Wisconsin to establish a fee schedule for Motor Vehicle Crash Responses by the Kansasville Fire and Rescue Department (KFRD).

NOW, THEREFORE, BE IT RESOLVED that the Town shall establish a rate schedule for Motor Vehicle Crash Responses provided by KFRD and applicable coverage areas. It is also appropriate to periodically review and update established rates for Motor Vehicle Crash Responses to enable the Town to meet the requirements for providing Motor Vehicle Crash Responses for KFRD's service area and to minimize General Fund support of those services.

BE IT FURTHER RESOLVED, the following Motor Vehicle Crash Response service fee schedule shall be applied to each vehicle involved in a Motor Vehicle Crash or incident (including ATVs/UTVs and Boats/Watercraft), as follows:

1. Resident Vehicle Owner/Operator Base rate: \$250
 - a. Basic/General Response: Disconnect Battery, absorb fluids, light debris clean-up, assist with traffic control, etc.
2. Non-Resident Vehicle Owner/Operator Base rate: \$1,250
 - a. Basic/General Response: Disconnect Battery, absorb fluids, light debris clean-up, assist with traffic control, etc.
3. Other Charges that may apply:
 - a. Extrication of Vehicle Driver/Occupant: \$1,000
 - b. Extensive Debris Cleanup: \$1,000
 - c. Hazardous Materials abatement: \$2,000

Note: Additional charges may be applied in extraordinary situations.

BE IT FURTHER RESOLVED, This Resolution shall take effect January 1, 2025, and shall continue in full force and effect until replaced or rescinded.

I hereby certify that this is a true copy of a Resolution adopted by the Town Board of the Town of Dover on the 11th day of November 2024.

BY ORDER OF THE TOWN BOARD

SAM STRATTON – Town Chairman

CAMILLE GEROU – Town Clerk
